

# Batemans in Argentina

OCT  
2022

Can you believe our church is now three years old? The first Sunday in September we celebrated our three-year anniversary. That week we had Pastor Juan Pacheco from Peru with us as our guest speaker. On Friday and Saturday the men of the church went to the camp in Alvarez for our first men's retreat.

*Our church celebrated it's three year anniversary.*

We also invited two other churches here in Rosario to participate, and we ended up having over 60 men! The men were greatly encouraged by this time of fellowship and God's word.

For our anniversary celebration on Sunday we had a record attendance of 110, with one profession of faith. Many people gave testimonies of how the church has been a blessing in their lives. We ended the weekend with a special anniversary cake and fellowship.

### Prayer Points:

- Pray for our missions conference in October.
- Pray for a church property.
- Pray for wisdom for the next step for our ministry here in Argentina.

*Over 60 men attended the men's retreat this year.*
