

Batemans in Argentina

DEC
2022

Baptisms: I was privileged to baptize three more people in the month of November! Tamara, Alejandro, and Yanina all made public professions of faith by following the Lord in believers baptism. Alejandro and Yanina came to our church for the first time in February at the invitation of Yanina's son Iñaki. Iñaki was baptized earlier this year. They are currently in discipleship classes with Brother Hector Campos. Tamara visited our church over a year ago, and then began faithfully attending in July. She gave a wonderful testimony of salvation, but needed to be baptized. She is currently doing discipleship with my wife Emily. Tamara, her son Franco, and her mother Laly all come faithfully now and are growing in grace.

A Short Visit: For the month of November we have returned to the states for a short visit. It has been four years since we left for Argentina, and we needed to do some paperwork for our son Ian, and also visit with Emily's mother. Emily's mother suffers from early onset Alzheimer's, and she is in the last stages of the disease. We haven't been able to visit because of Covid. Please pray for my wife's family. These are trying times for them, and there are some dark days ahead.

The Future- We will be returning the first week of December and will remain in Argentina until February or March of 2024, when we will take a year-long furlough. Until then I will be focusing on these goals that I will leave in our prayer points.

Prayer Points:

- For a permanent location for our church.
- For an internship that we have planned for the months of January-February 2023 for students.

- For the continued training of our men for the ministry.
