

Batemans in Argentina

MAR
2022

First Camp! We were able to have our first camp the first week in February. We had to postpone it one week because of Covid. We had a total of 64 campers. Many received Christ as their Savior, and we have seen them begin to bare fruit. We had small groups come from other churches as well. In all, there were six churches represented.

Thanks to all who have given to the camp, we have had \$45,495.00 donated to the camp so far. We are still working on remodeling the camp and purchasing a few more things. God has been good. Thank you for your prayers and generosity.

First Family Conference! Two weeks after camp, we began our first family conference. Missionaries Kevin and Beth White came to speak. The conference ran from Thursday to Sunday. On Saturday, we went back to the camp and had a church-wide picnic. We divided up the group, Kevin taught the men, and Beth spoke to the women. God used them greatly during the conference, and many of my people received help. Kevin also taught four classes on preaching to the men in our church preparing for the ministry.

In the last two months, our church has experienced a lot of new growth. There are several new converts, and the majority have no church background. Please pray as we disciple these new believers.

Prayer Points:

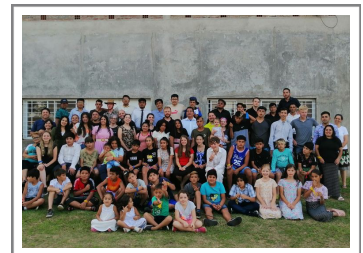

- Pray for the new converts.
- Pray for the men preparing for the ministry.
- Pray for us as we look for a property to purchase for the church.

Missionary Kevin White teaching on marriage.

Sister Beth White teaching our ladies.

Our first camp
