

Batemans in Argentina

SEP
2022

We have been running since the beginning of July; it has been an incredibly busy season for us.

We thank God that we are able to be working for Him; there is so much to do. In July, Freddy Paz, a Peruvian missionary ministering here in Argentina, preached a youth conference for us.

Brother Freddy brought his youth group to the conference, and it was a great joy and blessing to be able to spend time with them.

The messages he delivered were greatly used of the Lord to bring about change in the lives of several young people. We closed out the conference by spending all day at the camp in Alvarez.

Ian translating for Ty Pepperdine

In August we had some visitors from the States visiting Rosario. Ty and Rebecca Pepperdine visited their son-in-law and daughter, Robert and Emma Becker, who are here learning Spanish. The Pepperdines shared their testimonies in our church, and Brother Ty preached both in the youth meeting and in one of our services. This gave Ian his first opportunity to translate for someone, and he did an outstanding job.

Our church is growing so much that we have almost reached the limit of our building. Please pray that we find a property soon. Many new people have come to the church recently, and many professions have been made. We continue to disciple people, and more are volunteering to serve in the church.

Our Church is growing

Prayer Points:

- Pray that we find a property for the church.
- Pray that new churches will be started soon in our city.
- Pray for more laborers..
