

Camp: In January we had our second annual youth camp. God blessed us with a great number in the camp this year; five churches were represented. We had several new families from our church serving in this year's camp, which, along with some experience we gained from our first camp, helped things to go much more smoothly this time. It is a blessing to see the spiritual growth in these families and their involvement in the service of the Lord..

Preaching in Santiago de Chile

Travel: At the time of the writing of this letter I am preaching a youth camp in Santiago, Chile. Missionary Jason Holt invited me to preach at the camp this year. There are about ten churches that have brought their youth groups here, for a total of around 130 young people.

2nd Annual Youth Camp in Rosario

In February we will be busy with a pastors' conference during the first full week of the month. There will be multiple pastors coming with their families from all over Argentina to participate in the conference. We are hoping that it will be a great time of encouragement and refreshment for them. The conference will be hosted at our camp.

The second week of February our church will hold its second annual family conference. Pastor Jose Luis Gomez will be preaching the conference, and he and his wife will be teaching classes throughout the week to the men and the women of our church. Pray that God will use this conference to strengthen our families.

Prayer Points:

- Pray for a property for our church..
- Pray for these upcoming events in our church and ministry
- Pray for the training of the men in our church as they are preparing for the ministry.
