

What is a man? That was the title of my message for our first men's meeting this year. We had a good number of men in attendance. We sang, I preached, and then we enjoyed a supper of empanadas. We had a few visitors as well, and they have returned to visit during church services.

Baptism: I had the privilege of baptizing Erica, Belén, and Miguel the last Sunday of the month. Erica is currently doing discipleship with Patricia Gonzalez. Erica came as a result of her son Emiliano, who was baptized last year. Belén and Miguel are a couple in our church who have been studying and being discipled by me. They came to Christ last year, and have recently been married. Please pray for these new disciples of Christ.

Several events will be taking place in April. We will be having a couples' meeting, encouraging and teaching the married couples to grow in their relationships. Also I will be preaching a marriage conference in the city of La Plata at the end of the month.

**Prayer Points:**

- **Property:** I have found a property that would be perfect for our church. We are currently speaking with the owners about the price and the possibility of purchasing.
- **Workers:** On the 28th we will resume institute classes. We have many men in our church who have dedicated every Tuesday night to study and prepare for the ministry.
- **Furlough:** We will be coming home for our first furlough in 2024. There are many things that I need to accomplish and put in place before we return to the states.
