

Thank you for praying! Last month one of my prayer points was for new families to be added to the church, and this month we have seen a large influx of visitors with many saying that want to be a part of our church! The other night in our Thursday night prayer meeting we recognized six first time visitors. Pray for these new people arriving at our church, that they will make the decision to join and be dedicated members.

**Family:** September is an important month in our family. Two of our children celebrate birthdays. Ian turned 17 and Caroline 13. We now have three teenagers in our home. Both Ian and Caroline serve in our church, and love the Lord. We are thankful to the Lord for each of them.

**Victory in Rosario:** We are preparing for our third missions conference in the month of October. So thankful that our church has a strong focus on missions.

**Traveling:** In the month of September I had the opportunity to be with Liberty Baptist Church in Quito Ecuador. Missionary Kason Bloom invited me to preach their family conference this year, and I had a great time with them. The Bloom family is doing a tremendous job in Ecuador, pray for them and the ministry.

**Building Project:** Our building plans have been finalized with the architects and they have submitted them to the city for approval. We are currently working on the corrections that the city has asked us to do. We will need a total of \$80,000 to build the building. We have been saving and we have also already received some offerings and we currently are at \$7,100. Will you pray about how you might help us with this project?

#### Prayer Points:

- Pray for our upcoming furlough.
- Pray for the leaders of our churches as they prepare and are taking over more responsibilities.
- Pray for the funds for the church to come in quickly so that we might be able to start construction soon.
